

# Overview

[Consent Form continued]

The study has 3 main sections – the typical duration for each section is listed below (total study duration ~1hr):

1) **\*Section 1** (Learning word-pairs) ~ **10 min**

**\*By the end of learning, your memory accuracy for these word-pairs must be >50% to continue without risk of rejection. You have TWO attempts to achieve >50% accuracy.**

2) **Section 2** (Main Experiment) ~**45min**

3) **Section 3** (Final Assessments) ~ **5 min**

The above section with a red asterisk (\*) requires that you satisfy specific criteria. If you fail to meet these criteria (after BOTH attempts), you will receive \$1.10 payment for the Section 1 that you completed. However, your submission may be at risk of rejection if you continue. If you don't meet section criteria after both attempts:

**Return the submission and receive the according bonus payment for completing Section1:**

- Section 1 – \$1.10
