

# Instructions: Learning Word Pairs

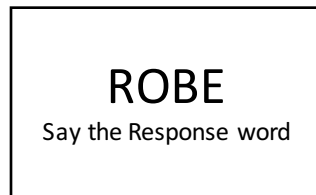

After learning multiple word pairs, you will be tested to reinforce your memory for the pairs you've seen so far. This is illustrated below:

After learning multiple word pairs...

## TEST TO REINFORCE LEARNING

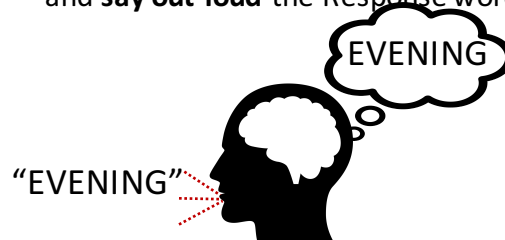

A plus sign appears, pay attention.

The *Hint* word appears, quickly think and **say out loud** the Response word

A Reveal button appears. Click the button to see the correct answer

**Quickly think of and say the Response word out loud. Then use the “reveal” button to check the correct answer.**
